<b>Description</b>	<p>Sophisticated, elegant and appealing to a buyer that yearns for fine living and dining on Florida Road.</p> <p>No expense was spared to make this apartment modern yet cosy. From the gleaming wooden floors to the kitchen with granite tops. The current owners were meticulous in design and ambitions to make this apartment the space that they can enjoy after a long day at the office or on weekends when the friends come over to enjoy a glass of wine with the view of the Durban ocean. Wow what a stunning bathroom was all I could say when I first saw what the owners managed to achieve with this space. The well conceptualised design makes for a shower with massage jets that help soothe ones tired self after a long days work to the neatly tiled mosaic with blinds to match and chrome fittings all encapsulated in a beautiful shower cubicle. Thats not all !!!! The both bedrooms comes fully fitted with built-in cupboards to match the blinds and compliment the gleaming wooden parquet floors. This apartment also boasts a tandem undercover parking which allows 2 cars to park. So please give me a call and come see for yourself. You will not be dissappointed.
