This home has got loads of character and lots of personality. When I take you through to this property you will know what I am talking about. From the great entertainment areas outside which features landscaped garden and a huge family pool to enjoy Durban's summer months, this house will not disappoint. Inside is just as good with immaculately neatly tiled jacuzzi type bathroom and an additional bathroom with a shower which means that everyone will be ready on time for school and work in the mornings. This home also has 4 bedrooms with the master bedroom being en-suite. The lounge and dining area is huge with downlighters and gleaming tiled floors all encapsulated by wall to wall windows which allows for great natural light to enter. This reminds of a ballroom type atmosphere. So get ready to entertain family and friends. There are also aircons in 3 bedrooms, lounge and dining area which keeps this home cool throughout the year. Family safety is important so this home comes very secure with remote access gates and an alarm. So please give me a call and I will gladly take you through to view this beautiful home.
